Upcoming Meetings

The July General Meeting will be on **Sunday**, July 25th. Please see the announcement on page 3 for details.

Greetings To All TCVCC Members.

It's another HOT day in South Florida and I can see why most of us antique car owners choose to take our newer air-conditioned cars on our monthly TCVCC outings.

With Hurricane season upon us, it's time to think about protecting our old cars when the time comes. And it will surely come sooner or later. Most of our members have a garage or two to keep one or two cars in. But, if you don't, it's time to look around for a storage place or friend who has extra space. If one waits till the last few days you will no doubt be out of luck.

Having been in many hurricanes, I can tell you they are no fun, especially if they land at night. If you are new to Florida and the Treasure Coast, start thinking about putting together a plan for your antique cars and yourselves soon.

We have had some fun outings since we began meeting again and July will be no exception. Searles' are planning a tour to a Muscle Car Museum. See info in this newsletter and RSVP to them accordingly.

If any of you who are fairly new members need badges, please let me know and I will take care of it.

As we celebrate the Fourth of July, fly your Flag proudly if you have one. Be thankful that we live where we do and be thankful for our friends and families.

Jo Ann Smith, President

June 12, 2021 Covid Rebel Cruise to Mrs. Mac's Filling Station in Vero Beach

We didn't have a huge turnout, partly because of the rain I think. But a little sprinkle didn't keep us from heading out. Fortunately, we didn't encounter any rain along the way.

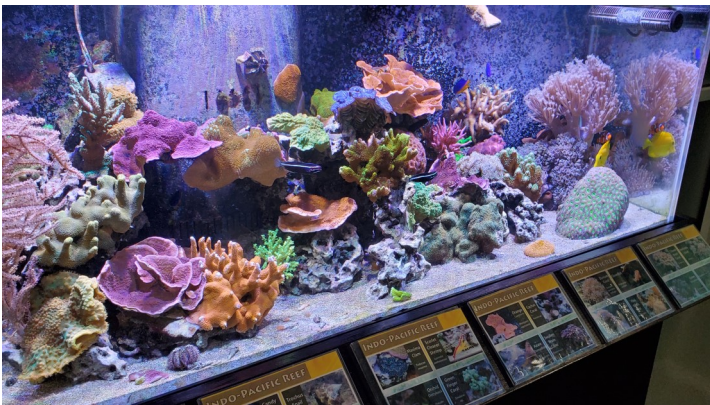

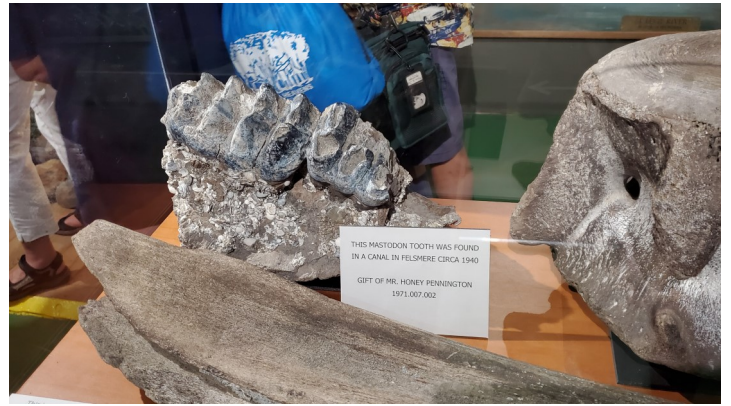

We had a great lunch at Mrs. Mac's. This place is chock full of automotive memorabilia and it's hard to decide which way to look first!

We did stop for ice cream on the way back. Well of course we did! Unfortunately, I can't remember the name of the place. You'll have to ask Andre. It was quite tasty!

Pictures From Our General Meeting

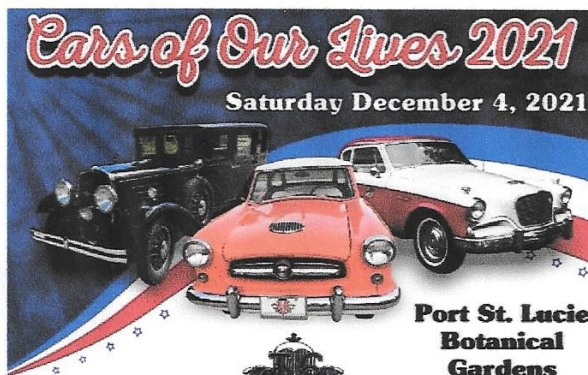

After meeting at the Post Office in Jensen, we headed north to Fort Pierce to visit the St. Lucie County Historical Museum and the Aquarium. We had a pretty good sized group, but due to the weather, some of us opted to drive our regular, air conditioned cars. It was a very pleasant drive. :
