The September General Meeting will be on **Sunday**, September 26th. Please see the announcement on page 3 for details.

## HAPPY FALL Y'ALL.

One would think we could have some relief from this hot weather by now but as I look out at my thermometer on our deck right now it's 90 degrees.

If you are like me and are ready to put out your Fall decorations, I guess we'll just have to pretend it's going to cool off soon and go for it.

The nominating committee has been hard at work putting together a new slate of officers and filling necessary board slots. Maybe we will see some new faces

on the list this year. We haven't elected new members in a year or two now and it's time to turn over a new leaf.

The new slate will be in the newsletter for you to see soon. Election will be at the November general meeting.

A reminder, again, that your AACA renewals will be showing up in your AACA magazine soon. Remember to renew direct to AACA as per our recent by-law change. Club renewals with the new format will be showing up in your mailboxes soon also. If you can, take time to renew as quickly as you can to Bob Ridle. I had some feed-back about the club outings and so many meetings in restaurants etc. Cost was a factor for some and some thought in-home board meetings should be reinstated in the next year. Thank you for calling me. I appreciated the ideas and they will be passed along to the new officers.

It is unfortunate that Fla. is still having such high numbers of virus infections. I want you to know that your board members are being cautious, having their shots and wearing masks at gatherings and keeping the club running. Don't be afraid to join in the activities if you feel comfortable doing so with any restrictions asked of you.

I hope to see you all at the Sept. general meeting at the Stuart Heritage Museum.

As you may or may not know, the City of Stuart has the final say in restrictions where the Museum is concerned. Mary Jones, the director, says Masks, as of right now, are not required but maybe you would want to have one on hand just in case this changes.

Well, I guess I'll go dig out my Fall Leaves for my lamp post. Fall surely can't be too far away.

Jo Ann Smith, President

### August 14, 2021 Covid Rebel Cruisers

The cruise started out from Palm Bay Plaza in Sewall's Point, one of our favorite starting points. Then we headed out to Vero Beach for lunch at Wes's Backyard BBQ.

We did encounter some light rain along the way but it didn't slow us down!

We all made it to Vero and were joined by Harry Mannos, a Melbourne area Covid Cruiser, in his Nash Metropolitan.

After lunch, we stopped in downtown Fort Pierce for ice cream, of course! To see more pictures, click here. [Covid Rebel Cruise to Wes' BBQ Augst 14,2021 | Flickr](#)

## Pictures From Our General Meeting

It was the perfect day for a cruise down the river to the Jupiter Lighthouse and back. The water was calm and there wasn't a cloud in the sky. The tour was narrated and we learned a lot about the history of the area and some of the famous residents along the way.

A **Fall Festival** is planned at the 55 acre Rockin H Ranch located at 4181 SW Boatramp Ave in Palm City. This will be a **free event** to car owners.
