UNIT AMENITIES

Need space? Of course you do. And at Hobe Sound Auto Vault your garage space is whatever you want it to be. Our most popular option is a generous 28' X 52' garage that you can appoint, decorate, furnish and equip to your heart's content, from mild to wild or anything in between.

Most garage owners like to start slow and easy with a minimalist approach, a half bath, ready-to-use or roughed in for later, and an industrial size sink. From there the sky's the limit and Hobe Sound Auto Vault is ready, willing and able to fulfill whatever custom-garage dream you may have.

Perhaps you have more than just one collector car, one vintage motorcycle or a single jet ski. Maybe a full size RV as well. No problem. Our 28' X 104' garage offers you enough room to store them all with the same custom flexibility.

Your Hobe Sound Auto Vault luxury garage space is quality constructed with insulated walls and ceilings, climate control capable, 120V receptacles and a 14' X 14' electric insulated garage door. It's exactly what you need to create exactly what you want, with no compromise.
