Upcoming Meetings

The July General Meeting will be on **Saturday, July 26th**. Please see the announcement on page 3 for details.

1/2 the year gone. Wow, Yikes, Egad!! June saw a great turnout of TCVCC members at the Grace Place Fathers Day church show w/2 members taking home awards. Days prior we were at the Palms in Pt. St. Lucie for lunch & a rain out, The next day was Avila by the ball park for a small show & a buffet lunch. It was awesome. Better than an AACA National event dinner. At least one could chew the salmon! The summer slow down of shows is upon us. Way too hot out there to be sitting in a parking lot. We recently had the 1st COOL car show organizational meeting on June 23rd at Rosemary & Andres home in Hobe Sound. Thank you so much Rosemary & Andre for your hospitality. A great start to the show in Nov. w/ 24 members in attendance

& most all areas set for the show. Am sure we will have more meetings in the future. Maybe 1 or 2 more. On the motto of this year, BE ACTIVE - GET INVOLVED!!! As your 2025 Pres. am asking all members to try to get 1 sponsor & secure at least 1 door prize for the show. Car show people love to win free things. Switching gears, a great segway into my past racing experiences & history. Grew up in N. Wis. some great racers have come from that state. Early 60's - 70's sat. night was Rice Lake Speedway. Still in existence & operating today. See ricelakespeedway.net. My Dad, uncle & Grandpa helped build the original track. Super modifieds & late models were my interests. After the move to Fla. in '73 it was Palm Beach Int. Speedway to get my racing fix. First owned by Rupp. Spoke w/ Dick Smith at the Factory Lightweight Museum & he mentioned he was at the very 1st race held there. Ran the old ISCA show van there 1 time. It weighed over 2 ton & ran 14:23 in the 1/4 mile. Built a balanced blue printed 340 for it. The van was unbeaten at ISCA shows for 2 yrs. and always won at the Truck Ins held all over the state. Went to Bowling Green, Ky in '76 for the 4th National Truck In. Over 11,000 vans in attendance & the coolest thing was no 2 were alike. That was a PARTY!!! Back to racin. Was involved w/ NASCAR early '90's to '96 Spent many days at Talladega. (special thanks to daughter) Some time w/ Dave Mader when he drove the #9 for Harry Melling. On top of a hauler next to Smokey Yunick when Stan Fox (from Janesville, Wi.) drove the #13 in a 1 off race for Carrier Air Conditioning. Daughter & I met anyone who was somebody in NASCAR as we had access to hot passes where ever we wanted to go & had personal contact w/ Kevin Camp who was the marketing director for NASCAR at the time. A great contact to have.. Had an interview w/ Chad Little in Charlotte, NC. about moving there as he was forming a team. Were at his house after the race w/ his brother Moery for Chad's birthday eating pizza & talking racing. He was driving the #97 John Deere for Jack Roush at the time. Glad it didn't work out as I would never have met Char. '93 found us in Daytona for the 500. Went up for 4 days as daughter was there w/ a driver. Garage stall to our left found Phil Barkdoll w/ the #73 driven by Stanley Smith, Rich Bickle in the #45 Kraft BBQ sauce & to our right was A.J. Foyt in the #51 Copenhagen car. Yes, I was star struck! None of the 3 qualified for the race so on race day Char & I sat on pit wall & watched the 500 won by Dale Jarrett Those days in the garage & race days are so special as most of the time it was dear daughter & I. 3 Days at Talladega is special. Next month the racing days will be continued w/ the involvement in the NASCAR sportsman series. Hooters Pro Cup. USAR pro cup & Sun-belt Super Series. Remember BE ACTIVE - GET INVOLVED !!! Thanks to all the contributing officers & members for your support. Denny Dahle Pres.

Stuart Murals, Mosaics, & Sculptures Tour – June 2025 General Meeting Wrap-up

By Sandee Searle

Compliments of our local artists, sculptors, and high school art students, Stuart and Palm City buildings and roundabouts are graced with amazing murals, sculptures, and mosaics that dazzle both residents and tourists alike. For June's general meeting, 30 TCVCC members toured 16 of the many beautiful works of art. Participants were provided a list and thumbnail description of our spotlighted artworks with driving directions, a full-color City of Stuart Art & History Map, and colorful Stuart Main Street-Celebrating 35 Years coasters, the latter two compliments of the Stuart Visitors Information Center with its lovely Yellow Tabebuia mural that we passed by.

We broke into 4 small groups with the intention of departing our first stop, the Palm City Post Office "Salute to Service" mural in 5-minute intervals to ease parking at each location. But that was like herding cats! I thought I was at the Daytona 500. Everyone zoomed to their cars and left in a flurry; all except my group of ducklings who actually followed my directions!

On our tour we circled the roundabouts of the bronze Three Heron Monument & The Stuart Sailfish, both sculpted by Geoffrey Smith whose Gallery the Club visited some months ago, and in Haney Circle we saw Lady Abundance, a risqué French remnant from the 1939 NY World's Fair. Acquired by The Stuart Women's Club in 1941, the prudish townsfolk refused her placement at Haney Circle, so she was relegated to the Courthouse grounds until "The Naked Lady" was allowed to take her place at Haney Circle in 1991 with the revitalization of Stuart when our moral compass was more relaxed.

The mural artwork ranged from a whimsical garden to several that depicted Stuart's history from early Potsdam to Postcards to the vivid House of Refuge. "We Are Makers" portraits of a local artist, sculptor, musician, and chef representing *'Makers, Breakers, Idea Shakers...Crafting By Hand...Taking Chances...Express Our Ideas, Emotions And Views...Inspired By Life, By Dreams And Ambitions... Linked By Passion...'* was very poignant.

One of the most unique, and impressive, works of art was in a most unique place. The "Mosaic Trees" tile & stone mural is located on the restroom facility wall at Memorial Park. It turned out to be a welcome stop for more reasons than admiring the art!

The low mosaic-tiled "East Stuart Gateway Monument" was hard to spot by the ballfield. Several members missed it, despite the fact that the shrubs around it had recently been trimmed. I guess City Maintenance received my telepathic request...lol!

Our tour finished at Duffy's Sport Grill on Osceola Street.

Stuart Murals, Mosaics, & Sculptures Tour – June 2025 General Meeting continued...

One structure that towered above all the others and above our COOL Car Show was the 1959 City of Stuart Water Tower displaying our Ameri-

can Flag thanks to the MCHS Bicentennial Class of 1976.

Our tour finished at Duffy's Sport Grill on Osceola Street. My group was the last group to arrive. To be honest, all 30 did not

see the full route, as a few couples less familiar with Stuart were left in the dust of their team leaders and had to navigate the directions on their own. Even Jay & Jo Ann Smith, our longest Stuart residents in the Club, admitted they got lost once! John DeLisa's response to how long he had been at the restaurant was two hours! I knew he was stretching the truth because the tour from beginning to end was only 1.5 hours. But his reply was a clear indication that they may have been lost and headed to the barn, er, Duffy's, early.

Four other members joined us for lunch. The servers were efficient and friendly. Food came out quickly and steadily. I heard lots of burgers being served. I had fish & chips and received my meal toward the end, but it came out hot and quite tasty. There was a raffle for tour-goers - four \$20 Duffy's gift cards. Barb Joyce, Denny Dahle, Terri Francisco, and Andre Rayman were winners and took advantage of the opportunity to use their gift cards for lunch.

Most members seemed to be watching their waistlines, so only a handful ventured down the street to Kilwin's for an ice cream. I chose a small cup with two of my favorite flavors, salted caramel and dark chocolate with peanut butter. It was more than I needed, but I managed to finish it!

Thank you to all who came out during this national heat wave to go on the tour. I hope you enjoyed it as much as I enjoyed putting it together with the help of my hubby

Mike and my best friend and former college roommate, Joan Perin, who came down from Jacksonville to help me. She created the handouts.

SAME AS IT NEVER WAS CRACKER TOUR 2025 REPORT

By Dave Brown

The 2025 Cracker Tour got underway on Thursday May 1st under beautiful blue skies. Most of the group met us in Okeechobee and from there we headed west. This year's tour numbered only 21, but even though that was a small number, it didn't take away from the fun that lay ahead.

(Ruh Rho! The beginning)

We had lunch at the Back Porch in Lake Alfred. Many tasty selections were on the menu and were delivered to the table in an actual

picnic basket. After lunch, we looked through the antique store. They have a fabulous selection of antique furniture. The owners travel to France once a month and return with containers full of unique and high-quality furniture. And, most agreed that their prices were very, very reasonable.

From there we proceeded to the Hampton Inn in Dade City for a good soak in the pool, and then Dinner at Del Carmen Restaurant. This Mexican restaurant was casual, but

delivered delicious food, and I saw no one going away hungry!

SAME AS IT NEVER WAS **CRACKER TOUR 2025 REPORT**

Friday morning, we headed out to visit the May-Stringer House in Brooksville. On the register of National Historic Places, the house is 4 stories, 7 gables and 14 rooms from the Victorian era. Although it is said to be haunted, we witnessed no such activity.

After a delicious BBQ lunch, we visited the 1885 Train Depot and then the One Room Schoolhouse. And guess who got in trouble for talking in class?

After more time at the pool, we had dinner at a tour favorite, Kafe Kokopelli in Dade City, which is a restaurant in an old Model T Ford Dealership.

SAME AS IT NEVER WAS **CRACKER TOUR 2025 REPORT**

Saturday morning had us heading to the Florida Air Museum and then Keel Farms for Lunch. Our wait for lunch was quite long, and many of us thought perhaps we should do the wine tasting to pass the time.

By the evening, we had a pizza party in the Hampton Inn breakfast area where we enjoyed a sing along led by Frank LoVerso and presented various awards to tour participants. Perhaps the highlight of the evening was

the awarding of the **Fickle Finger of Fate** award to Mike and Sandee Searle for their car's failure to start several times. Look how absolutely ecstatic Sandee looks, as she contemplates where she will display this lamp for the next year!

Sunday morning began what is usually a sad day, as we anticipate the end of the tour. We visited Highlands Hammock State Park and it's Civilian Conservation Corps Museum, part of FDR's program to break the depression and get America working again. After lunch at Sunset Bar & Grille overlooking Lake Jackson in Sebring, we headed on to our tour end in Okeechobee. Another successful tour, where we all got to know other members just a bit more than before the tour.
