New for this event is the addition of a special class! We have decided to add a "SENIOR" class honoring cars that have won "first place" twice in the last 5 years. These cars will park in their respective class but will have a special plaque/nameplate that announces the "Senior" achievement! The Senior cars will no longer be judged. Every year at the awards ceremony all seniors will be announced, and plaques/awards will be given to the new seniors. This first year all seniors will be presented with awards.
