## Upcoming Meetings

The March General Meeting will be on **Sunday, March 22nd.** Please see the announcement on page 4 for details.

Hello Fellow members-

In the blink of an eye, February is past tense. Sure, it only had 28 days, but it sure seemed shorter than that.

We had the good fortune to visit Egypt for

2 weeks in February. There were hundreds of thousands of

antiquities going back as far as 3500 years. However, we did not see any classic cars, American or otherwise. With the dry weather, and desert conditions, rust is not something that would be a problem with old sheet metal, so I'm guessing that they are all put away in private collections.

If you missed our February general meeting, you missed a good one. 48 people attended the meeting at Charlie Ulrichs man cave. There were also 18 classic cars in attendance. The room was set up quite nicely, and we enjoyed a meal of a variety of subs, chips potato salad and beans/chili followed by some tasty desserts. The best part was it only cost \$5/person.

The March general meeting will be put on by the Smiths and you can read about it in this newsletter.

March is certainly a busy month for car events here in Florida with a few notable shows. March 1 is the show at Lou Bachradt Chevrolet down in Coconut creek. This is put on by the Corvette club, and while it may be too far to take a classic, it is worth taking a trip down to see some different cars that attend.

On Sunday March 8, TCVCC, along with the Treasure Coast Classic Chevy club are putting on a show at Sailfish Park as fundraiser for the Road to Victory Museum. This is the beginning of Daylight Savings time, and the park is nice and shady. If you have a classic, or any car, you can enter and hang out with other members. Last year we had 156 cars, but there was space for more, so I'm hoping we exceed that.

The AACA chapter in San Juan, Puerto Rico is putting on their show on the weekend of March 21, so a couple of us are going down there to assist with Judging. This was a favorite past time of member Joe Vicini who was often the head judge. It's quite an event, and island hospitality is at its finest.

# President's Report Continued...

Unfortunately, by attending that show, we will miss the show put on by the Vero Beach AACA club at Riverside Park in Vero Beach. I've attended that show for as long as I can remember, and recently we have an ongoing contest with that club regarding which club will have more cars at the other's show. We won it several years in a row but lost it last year. In addition, we will also miss the March general meeting, but don't worry, all will go smoothly as first VP Dave Brown (past president 4 times) will run the meeting.

The following weekend, the Space Coast AACA chapter is having their show at the Muscle Car museum in Melbourne. As this is the 100-year anniversary of Pontiac, Pontiacs will be the feature car. I've already registered a car. This show usually has between 550 and 600 cars and is well worth the trip. In addition, if you enter your car, you get one free admission to the museum. Even if you have to pay to enter the museum, rest assured that the owner typically donates all the gate money to a charity, so it's a win-win.

Click on the notices below to get more information on these two shows.

Well, that's all for now. See you at the show on March 8 in Stuart.

*Andre*

The 2026 Celebration of Cars Antique to Modern Auto Show will be held on March 28 at the American Muscle Car Museum, 3500 Sarno Road, Melbourne, FL. All types, makes and years of vehicles are welcome. This year's theme will be "100 Years of Pontiac." All vehicles will be eligible for Top 25 and Best of Show as well as Celebrity and Charity Awards. Pontiacs will also be eligible for Special Feature Awards. TV personality Dennis Gage will be present to meet attendees. Show car registration will close at midnight on March 21 and, as in previous years, PRE-REGISTRATION IS REQUIRED. The Museum will be open from 11:00 AM until 2:00 PM. One free admission will be issued with each show car registration and additional tickets will be available on the day of the show. Public admission to the show field will be free. A portion of the day's proceeds will be donated to local charities.

MOVE THAT BUS!!

Charlie & Sherry Ulrich's unveiling of their new man-cave garage for the February General Meeting was a huge event. Sherry said they had 59 RSVPs. We were all greeted by our host and hostess and treated to a spotless garage, freshly renovated, painted, and LED-lighted. The reception area was decorated with the Ulrich's multitude of Car Show awards. The garage was filled with tables and chairs for us as we gazed upon their prized 1962 Austin Healey Roadster 3000 MKII. After our meeting, we devoured delicious subs from WhichWich Superior Sandwiches, potato salad, Old Settler beans, chips, cookies, and brownies.

One member asked me where the restroom was, then said, "Oh, there's the door." I looked and saw a glass door at the rear of the garage. I said, "That goes outside." He replied, "That works too" and headed toward the door. What I had failed to see was the gray restroom door adjacent to the exterior door. Whew!

Thank you, Charlie & Sherry, for all your hard work to renovate your new garage in time for the meeting & Big Reveal!

I hope all of you will join us for our next adventure in March to tour the Indian River Citrus Museum followed by lunch at the American Icon Brewery. As a child growing up in Palm Beach County, I remember all the billboards advertising World-famous Indian River Fruit. See meeting details in the VT or on our website at <https://treasurecoast.aaca.com>. Remember to RSVP to hosts Jay & Jo Ann Smith for March's meeting!!!

Let's hit the road...

Yes, it is last minute, but the January General Meeting provided an opportunity to push forward with having the Spring show again this year.

As you know, this show is a more casual, relaxed atmosphere and is open to all makes and models. There is no pre-registration, no classes to choose from, just come and hang out with your friends.

Each registered vehicle will receive a free lunch provided by the grill masters from the Road to Victory Museum.

Please take a minute to reach out and volunteer to help us make this a great show. There is still work to be done but it is not nearly as intense as our COOL Show and the ground-work has already been laid.

TCVCC is having our Spring show again this year. We are looking for volunteers for the following:

## February 2026 General Meeting

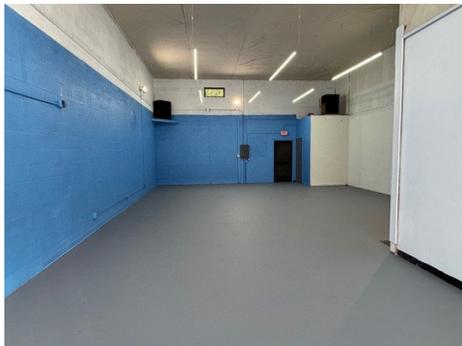

A big THANKS to all you TCVCC members who attended the February General Meeting at our shop in Port St Lucie! When we were thinking of a location for us to host the meeting we thought no one would be interested in coming to a semi-finished workshop in an industrial park. Boy, were we wrong!

As many of you know, Sherry and I have been looking around the Treasure Coast area for a replacement shop for the one we lost after 15 years of great times with partners like Geoff

Nichols and Bob Palmer. When we discovered this new (very old) place we thought it would be EASY to do a little touch-up, etc. to make it into Charlie's Mancaue. Wrong again!

This bit of touch-up turned into a major effort that included knocking out walls, replacing electrical wiring, installing a new ceiling and LOTS of painting.

None of this could have been possible without the help of good friends and club members, particularly Bill Yunger, who put in many hours to make this happen. And to add insult to injury, the big Nissan Armada that we used every day to haul all the stuff was hit HARD one afternoon when Sherry was on her way home. Sally and Larry to the rescue! They loaned us their truck for more than a week, which totally saved the day.

So, after licking our wounds, we got very busy again to meet the deadline of hosting the meeting. Literally the night before, we completed (more or less) the final touches that you saw at the party.

Thanks again. It was well worth it and we hope everyone had a good time.

### Charlie & Sherry

The finished product!

Time to eat!
