January General Meeting

Sunday, January 26, 2020

Our January General Meeting will be a short road trip down to Riviera Beach to visit the FPL Manatee lagoon and Eco-Discovery Center at their Next Generation Clean Energy Center. We have been assured there will be a large number of these gentle giants enjoying the warm waters of the discharge basin during the winter months. The Discovery Center itself is worth the visit. Admission is FREE.

We will spend about an hour there then travel back north to Jupiter and enjoy lunch off the menu at the Shipwreck Bar & Grill.

We will meet at Dunkin Donuts, 840 So. Federal Hwy (US1) in the Publix Shopping Center by Kanner Hwy at 10:00 AM and leave promptly at 10:15. The drive is about an hour.

Again, the tour is FREE—lunch is on you. RSVP to Jay and Jo Ann by Tuesday, January 21st, at jay2094@att.net or 772-287-1903.

From President Jo Ann

Welcome, members, to 2020! Let our Journey begin. As we look back on 2019, I think we can all agree it was a great year for TCVCC. We went to places we did not know existed on our monthly outings and had two successful tours thanks to our fearless leaders. We met new members and had a great COOL car show.

By the time you read this in the newsletter I can assure you that our board members are hard at work trying to find new and interesting places for our monthly outings. I would urge you, as a member, to mark off the fourth Sunday of every month so you can be a part of the fun. We had good turn-outs this past year and, rain or shine, pe for a repeat to new destinations in 2020.

One new item I am going to add to our general meetings is "Cars Under The Canopy". I have noticed in going over the roster that many of our members have several cars listed. Beginning in February, I will be asking one of you members each month to tell us how you came about owning one of your particular cars. Where it came from, what kind of work you put into it to make it your own, how long you've owned it and any other particulars that would interest the members. So be thinking about your various vehicles and be ready when you get my call.

Our membership hit just over the one hundred mark this past year. Maybe we can all try and bring in one new member or friend who maybe would be interested in going on one of our fun Journeys To a New Destination. After they see how TCVCC thrives on Fun, Food, and Outings, how could they resist not being a part of our great group. Happy New Year and I look forward to the next Journey with ya'all!

COOL SHOW HIGHLIGHTS

The COOL Car Show was held on December 7, 2019 at the Port St. Lucie Botanical Gardens where we hosted close to 100 cars! Thanks to the 52 TCVCC volunteers who made the show run like clockwork.

Also BIG thank you to the 24 sponsors. We had beautiful weather, good music from Jeff Means, 3 food trucks with delicious food to eat at the tables spread around the lush gardens as well as a great variety of beautiful vintage cars and trucks. 27 vehicles took home a crystalline trophy including Richard Leath for Best in Show, Terry Richtmyer as Participants' Choice and Ron Bomberger as the President's Choice.

From the proceeds, we gave a donation to the ROTC of Port St. Lucie High School as a thank you to the cadets who helped with the show. We also gave a generous donation to the Botanical Garden which is staffed with volunteers and supported entirely by donations. See some pictures from the show at the end of this newsletter.

MEMBER 'S WORKS IN PROGRESS

Dave & Amy Brown's 1974 Pontiac Grand Am has returned from the paint shop and it looks ready to roll. Bought in June from north central Pennsylvania, it was an almost rust free 48,000 mile car, straight as an arrow, but in need of new paint. The shop, didn't want to start a large project right before the holidays, but felt they could complete my car in 3 weeks. And they did, with excellent results.
