General Meetings

The January General Meeting was cancelled so there are no minutes.

All February Meetings have been cancelled due to the current COVID-19 restrictions.

We will keep you updated as things progress.

Greetings TCVCC members.:

Is it cold enough for you? I think most of us South Floridians would like to kiss Old Man Winter goodbye. If you have relatives up North like we do (Vermont) they don't want to hear it's a cold sunny day down here when they are buried in three feet of snow up there with more to come. So, we are fortunate to live here and we know it will warm up for us in a day or two so those convertible tops can go down again.

As a board member, you know I talked to you recently to discuss the idea of having another COOL car show this year. Charlie Ulrich was contacted by the Botanical Gardens to see if they could reserve December 4th for us.

There was discussion about having it in December as it is such a busy time for a lot of members. But it was ultimately decided to go ahead and set Dec. 4th for our one day show and Charlie and Sherry will chair it as before. It was decided last year to streamline the extra activities, etc. and this will be considered again.

As you know, this will all depend on where we are with the Virus and what guidelines are in place. It's hard to plan so far ahead for these activities but we have to start somewhere. So, mark your calendars for that date. If you enjoyed working the last show and would like to do so again in some compacity, let Sherry and Charlie know. They will appreciate the support.

My broken leg saga has come to an end and we have been fortunate to have received the Covid shots so maybe we can join a tour sometime in the future.

I took time to call the new members who have joined us and they all were looking forward to participating in TCVCC activities as they come along. The club is grateful to have each one and if you meet them along the way make them welcome.

Till next time, Hello to you all and Stay Safe.

Till Next Time,
Jo Ann, President

From AACA

If you have already renewed your membership for 2021, thank you!! If you have not renewed your membership yet, please take a few minutes to do it now.

Renewing your membership only takes 5 minutes and can be done one of three ways...

MAIL: A renewal form was included with your Jan/Feb issue of *Antique Automobile* magazine. Simply fill out the form and send it back to the office with a check or credit card information.

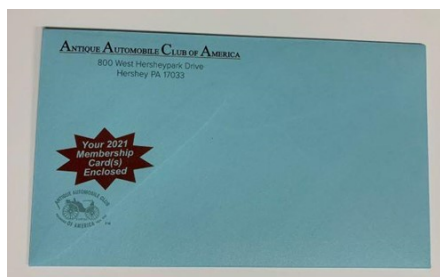

PHONE: Call AACA National Headquarters (717-534-1910) and any of the staff here would be happy to take your renewal over the phone with a credit card payment (VISA, MasterCard or Discover). Office hours are M-F, 8 a.m. to 4:30 p.m. Eastern Time.

ONLINE: (If this is your first time renewing online, please go to "current members retrieve account." Enter your member number and pin number. You will then get an email with a temporary password. Using your email address and temporary password you will now be able to login under "registered customers." After you login, you can update your information, change your password to something you can remember and renew your membership. If you don't receive an email with the temporary password, make sure to check your email junk and spam folders. If you still don't see the email, just call us and we will help you.)

We are processing all of the 2021 membership renewals as quickly as we can. While it only takes a day or two for the renewal process to be completed, please note that it does take a few weeks to see your new membership cards arrive in the mail. And, with all of the mail delays still going on in the U.S., members have been telling us that it is taking up to a month for them to see their cards.

Every 2 weeks, we send a batch of renewals to our printer who then prints and mails the cards for us. This process saves both staff time and mailing expenses.

Your new 2021 membership cards will come in a small blue envelope like the one pictured here.

Club Happenings

The January No-Meeting Cruise to Dino's

We had a good turnout for the No-meeting Cruise to Fort Pierce. The group gathered at the Elliott Museum on the morning of the 24th and enjoyed some time socializing before heading out on the road. Little drizzle along the way, but not enough to slow us down. The drive up the beach was very nice with hardly any traffic.

We had a few club members stop by just to say hi. And there were a few who looked like they needed more coffee.

We arrived at Dino's Family Restaurant right on time and were greeted, seated, and served in record time. If you have never been to Dino's, you really need to check it out. The menu selection is great and the food was very good. I didn't hear anyone complain about their food. The staff was very attentive and the service was excellent.

Club Happenings

No-Meeting Cruise continued...

After lunch, we cruised back over to the island and stopped at Cream Republic Ice Cream, one of our favorite stops. We got there a little before their opening time, but they were ready for us and we helped them get set up so we could get right to our ice cream. They have an extensive selection of flavors, all hand crafted right there. You should check it out someday.

The ride home on the beach road was very peaceful and made me wish I had put the top down on the Tbird. But it was a little chilly and the heater doesn't work so we left it up and just cruised on home.

Another cruise is planned for February 6th, leaving Flagler Park in Stuart at 10 AM. Old cars are mandatory. Feel free to join us and contact Andre Rayman or Sally Franklin if you want to be included in the mailing list for the Covid Rebel Cruisers.

Members Stories

Elliot Museum Classics at the Beach 2020 In the Rearview Mirror

After months of delay, the Classics at the Beach show finally happened in mid-December. I'm sure it took a lot of effort to pull it off on short notice, but the show was fantastic and the event was well attended. Although it started out a little chilly, the day turned out to be perfect for a car show. One of the benefits of living in South Florida!

Here are just a few of the fantastic cars on display that day, and a few of their proud caretakers. As usual, the selection of cars was outstanding.
