Upcoming Meetings

The June General Meeting will be on **Saturday**, June 26th. Please see the announcement on page 3 for details.

Greetings To All TCVCC Members.

Last month's club outing that took us on "The Jungle Trail" in Vero made one wonder if this was like it was before paved roads came along. (Did you really expect to see monkeys swinging from the trees?) It's amazing what hides off the main roads that so many travelers miss until someone takes you in that direc-

tion. Thank you to the Rayman's for a great afternoon.

We will be saying good-bye to some of our members as they head North for the summer. We hope you will keep in touch through our newsletter till we see you in the fall.

Sally has an interesting outing for our June General meeting. We will be visiting the Museum and the Aquarium on the causeway on Ft. Pierce Beach. Lunch to follow at Manatee Island. Let's continue having great turnouts for these activities as I'm sure we are all glad to be out and about. As noted in last month's meeting, I still have Raffle tickets for the 1973 Jeep Commando that AACA would like to see someone win. A lot of you go or have been to Hershey in October and just maybe you could be driving it home. The money collected benefits AACA. Tickets are \$10.00 each. I have about 15 more to sell and it's always a good thing to support our AACA organization. Call me or have your \$10.00 bill ready at the June meeting. They are offering \$5,000.00 in cash if you don't want the vehicle. Such a Bargain!!

Our Treasurer would like to see us build up our coffers a little bit so we do not have our balance keep going down with nothing coming in. We have had some necessary transactions this past few months and our Cool Car Show will require some funds before money starts coming in from this. If you have some good ideas for paid car shows for TCVCC at assisted living places etc., etc., please let Denny Dahle, our Special Events person, know. Every little bit helps keep us in good shape bank balance-wise.

Hope to see you at the June general meeting. Till then, Keep those wheels a turnin'!!!

Jo Ann Smith, President

General Meeting Announcement

June General Meeting, Saturday, June 26th, 2021

We will be traveling to Ft. Pierce to visit the St. Lucie County Historical Museum and Aquarium.

Overlooking the magnificent Indian River in Museum Point Park, the Regional History Center offers a glimpse at the foundation of our community. From our earliest known residents, the Ais Indians to the Creek and later the Seminoles, you can see their lifestyle in the artifacts and displays. Trace the rise of the fishing industry and the failed efforts at making us the "Pineapple Capital of the World." Go shopping in Cobb's General Store or take a walk down Main Street, past the doctor's office and the printing press. Step back into the 1900's with a tour of the fully furnished Gardner House.

The Smithsonian Marine Ecosystems Exhibit at the St. Lucie County Aquarium is dedicated to educating the general public and school groups about the critical need to preserve the diversity and complexity of Florida's marine environments. At the Aquarium, visitors can explore living models of six different Florida marine and estuarine ecosystems while learning about the importance and intricacy of these ecosystems. The largest display is a spectacular living model of a Caribbean coral reef ecosystem. Other displays include seagrass, mangrove, lagoon hardbottom, and nearshore reef habitats, as well as a deepwater *Oculina* coral reef. There are several smaller aquarium displays and microscope displays where visitors can get a glimpse of the microscopic world. A touch tank also allows visitors an up-close encounter with local marine life.

Pictures From Our General Meeting

After meeting at the Post Office in Jensen, our large group headed out to conquer the Jungle Trail!

Pit stop at the beginning of the Trail. Unfortunately, it appears no one got pictures while we were actually on the trail. It was difficult to hold the camera steady! So, off to lunch!

Next stop, ice cream. After we get the Ghia going again!

Yay! Ice cream!
