## Greetings To All TCVCC Members.

The "Dog Days of Summer" are here and our air-conditioned cars, old or newer, sure felt good on our recent monthly tour. Muscle Cars and Pin-Ball Machines got a lot of our attention and those of us attending enjoyed hearing about the beautiful cars and trying to outdo those amazing Pin-Ball machines.

We held our general meeting at the car museum and a couple of items were brought up concerning attendance at the monthly outings. When we first started going out again we had large groups of members attending. It was like we were all "let out of the box" and eager to be on the go. But the numbers have gone down and the club wants to try and build our turnouts up again. Granted, the summer months are hot and there aren't many outside venues to go to. If money is a factor, we understand. A lot of places have entry fees or donations and restaurants can be expensive.

So, as we go along, those in charge of their month we be trying to come up with alternative venues. If you have suggestions, please call me. I would like to see you, as members of our club, make the effort to RSVP and show up if possible. Every month we learn about something new or places we had no idea were there. If there is something you think would be of interest for the Club to do, contact any board member. Maybe we can make it happen. Think about it and we hope to see you soon. If you like ice cream, that seems to be one reason to show up!!!

The Cool Car Show is coming along but some slots still need to be filled. Charlie is eager for you to call and volunteer. We will be looking for sponsors, and now is the time to start working on these. If you got one last time, maybe they will be willing to do it again this time around. I hope everyone is staying safe.

Till next month,

Jo Ann Smith, President

### July 10, 2021 Collector Car Appreciation Day

We had a good turnout, including some new faces that are joining our group. We met at the Elliott Museum after Cars & Coffee and cruised through downtown Jensen Beach and Stuart before heading south to the Lighthouse Diner in Jupiter.

We had a great lunch at the diner, where we were joined by some folks from the South East Classic club.

After lunch, some of us stopped at Sweeties in Hobe Sound for Ice Cream! To see more pictures, click [here](#). [Covid Rebel Cruisers Classic Car day Cruise July 10,2021 | Flickr](#)

## Pictures From Our General Meeting

---

We met at Cracker Barrel to make the drive to Mission BBQ in Boynton Beach for lunch. We stayed to the backroads as much as we could and it was a very pleasant drive. Lunch was outstanding, of course.

After lunch we headed to Museum 66, a private collection of muscle cars and pinball machines. We were given a very informative tour of the collection and then allowed to play the pinball machines as much as we wanted. It was great fun!
