Upcoming Meetings

The October General Meeting will be on **Sunday**, October 24th. Please see the announcement on page 3 for details.

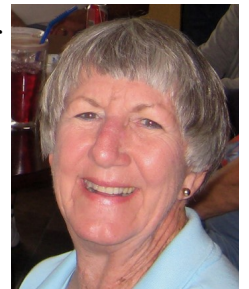

Happy Halloween To You All.

Yes, if you haven't noticed, Fall is in the air, Pumpkins are out and if you are from up North you are missing the beginning of "Leaf Peeper" season. "Praise The Lord" for some cooler temps and less humidity. It doesn't seem like 2021 is coming to a close in a couple of months. As President I feel like we, as a club, have

done a good job this year of keeping the club going. We have had good activities thanks to our board members who have tried to give us a variety of monthly outings.

As another year starts, we as owners and our antique cars will have aged another year older. That means we have to maintain our up-keep on our vehicles as well as ourselves. Cars need washing regular and so do we, (usually we need this more regularly than our cars!!). Cars need fuel to keep running smoothly and so do we. Taking our antiques out for a run helps their engines stay in shape and exercising our bodies does the same for us. I tell ya it's a never-ending job keeping our antique automobiles and ourselves in shape but that is the joy of being able to be a part of clubs like TCVCC as long as we are able.

If you missed the last general meeting it was noted that our Editor, Sally Franklin, won a trophy for her outstanding newsletters for our region. Congratulations Sally. She really keeps our membership informed and for that we thank her.

A NEW SLATE OF OFFICERS is listed in this newsletter. Please take note of this as you will be voting on these at the NOVEMBER general meeting. Also, if you just received your current issue of the AACA magazine your membership renewal is included. Hope you didn't throw it out!! This renewal goes directly to AACA, as per our new by-laws.

Hope to see all of you at the next general meeting. There will be Treats but no Tricks!!!
Have a Good month.

Jo Ann Smith, President

Secretary's Report

Treasure Coast Vintage Car Club General Membership Meeting , September 26, 2021

THANK YOU!! Sherry Ulrich for taking the minutes at the September General Meeting in my absences.

The meeting was called to order at 12:15 pm. There was no Secretary's report.

There was no Treasurer's report, but President JoAnn Smith assured us that we have money.

Cathie Means reported that we currently have 99 members. Cathie has sent out renewals for 2022. Members are reminded to send their AACA renewals directly to AACA and their TCVCC renewals are sent to Bob Ridle.

Any article for the Vintage Times needs to be sent to Sally Franklin soon. It was learned that Sally has won another award for the newsletter. Congratulations to Sally!

Marie Flaherty reported that she has two TCVCC shirts for \$25 each as well as license plate frames and flags.

Jay Smith reported that his article in the Vintage Times will contain information about the RPM act being discussed by law makers.

There was no Sunshine report.

Denny Dahle listed several shows coming up that will be in the newsletter. He also passed a signup sheet for the Veteran's Day parade on November 11.

Charlie Ulrich said that the COOL show is progressing nicely. Sponsors and volunteers are still needed.

There was no Old Business. There was no New Business.

JoAnn Smith said that the club made a \$100 donation to the Stuart Heritage Museum for a wonderful and educational tour.

Next month's general meeting will be held at Florida Oceanographic to see their new exhibits. Lunch after will be across the street at Philly Down South in the Elliott Museum.

Thanks to Larry Ankrom for this month's meeting.

Respectfully submitted,
Rosemary Rayman, Secretary

COOL Show Update:

We're counting down to our annual car show on December 4! Only about 2 months left to get ready! I am still looking for volunteers to help the day of the show. If you haven't already volunteered, I really could use your help in the following areas:

Set-up & Cleanup — It is an early morning but you are finished setting up before the show. Bob Sees has enlisted the help of some high school students to do the lifting. It would mostly be arranging chairs and putting up tents. After the show there are always plenty of hands to make that light work.

Parking - Each class needs at least one person to place the cars. You will know exactly how many cars in the class. We also need several people on the street to direct traffic. We have about half the number we need for this category and this is a very important job. Once again, you would be through once all the cars in your area are parked.

Registration, 50/50, and Hospitality - can all use a couple more folks.

If you have already volunteered and know someone who would like to help, please let me know or have them email me at lantana292@hotmail.com or call 772-418-9614.

Charlie and I really appreciate everyone's help with the show. This is our 40th show and we want to make it a great afternoon at the Gardens.

Thank you in advance for your help, Sherry Ulrich, Volunteer Coordinator

Legislative News, Jay Smith reporting:

SEMA is asking for support of H.R.3281, the Recognizing the Protection of Motorsports act, known as the "RPM Act", reintroduced in the House of Representatives in the 2021 – 2022 session of Congress. This act will reverse the EPA's ruling that the Clean Air Act prohibits any motor vehicle designed for street use to be converted for use as a race car. This includes cars, trucks and motorcycles .

EPA maintains that the modification of the emission system for racing is illegal. Manufacturing, selling and installing race parts on these vehicles would also be a violation. I'm afraid the manufacturing part here could effect our old car hobby down the road for aftermarket parts. It was also announced by the EPA that enforcement against high performance parts such as superchargers, tuners and exhaust systems is a top priority.

You can read more detail on Sema's web site under legislation.

Use their Action Center link to send a message to your Senators and Representative. Ask them to support the RPM Act.

Pictures From Our General Meeting

The Club took a guided tour of the Stuart Heritage Museum, located in the old Stuart Feed Store. Although it isn't very big, it is stuffed with pictures and memorabilia from the Stuart area and the Docents are eager to share the stories behind them all. After the tour, the Club headed to Pirate's Cove for an excellent luncheon.
