Upcoming Meetings

The November General Meeting will be on **Sunday**, November 21st. Please see the announcement on page 3 for details.

GREETINGS Fellow TCVCC Members.

As we go into the Thanksgiving season this year we all have a lot to be thankful for especially where our club is concerned. We came through the the Covid stress without any members serious ill (that I know of) and after two years of this stuff we are on the road back to our usual activities and club affairs.

I would also like to remind everyone to send in your Membership renewals as soon as you can.

I will be ending my two year stint as your

President soon and I hope I met your expectations through it all. My board engines have kept the club running and I wish the best to the new President for as good a journey and great experiences as we have had.

As you know, you will be electing new officers at the November general meeting.

The Riddles are planning a great BBQ for this outing and I hope to have a big turnout. The slate of officers being presented will run the club next year and need your full support so please RSVP to the Riddles and come. The Slate of officers is printed in this newsletter.

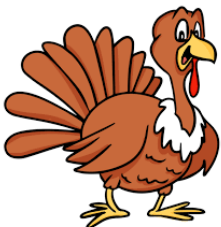

If you have been asked to serve on the board, I would urge you to be in attendance at this months meeting. We have new members that may not know you by sight and other members that are just now becoming active again. Hope to see you all there.

We are coming down to the line where the COOL car show is concerned. Charlie and Sherry are working hard to dot all the "I"s and cross all the "T"s to assure us a great show. Registrations are a bit down yet, so if you are a member and have not registered your car PLEASE do so soon. Members have many beautiful cars in their garages and bringing them to our show would really benefit or club and give the public a view of what TCVCC is all about.

I hope you have a great Thanksgiving Day from my family to yours and I'll see you soon.

Gobble Till YA WABBLE !!

Jo Ann Smith, President

COOL Show Update:

We're counting down to our annual car show on December 4! Only about 1 month left to get ready! I am still looking for volunteers to help the day of the show. If you haven't already volunteered, I really could use your help in the following areas:

Set-up & Cleanup — It is an early morning but you are finished setting up before the show. Bob Sees has enlisted the help of some high school students to do the lifting. It would mostly be arranging chairs and putting up tents. After the show there are always plenty of hands to make that light work.

Parking - Each class needs at least one person to place the cars. You will know exactly how many cars in the class. We also need several people on the street to direct traffic. We have about half the number we need for this category and this is a very important job. Once again, you would be through once all the cars in your area are parked.

Registration, 50/50, and Hospitality - can all use a couple more folks.

If you have already volunteered and know someone who would like to help, please let me know or have them email me at lantana292@hotmail.com or call 772-418-9614.

Charlie and I really appreciate everyone's help with the show. This is our 40th show and we want to make it a great afternoon at the Gardens.

Thank you in advance for your help, Sherry Ulrich, Volunteer Coordinator
