Upcoming Meetings

The December General Meeting will be on **Sunday**, December 19th. Please see the announcement on page 3 for details.

Merry Christmas and a Happy New Year to all TCVCC Members.

This will be my final newsletter for this year, and what a year it has been! I hope you have enjoyed following me and my thoughts these past two years.

2020 was virus year but we were able to keep the club together and take care of the business needed. 2021 found us

getting our board meetings together once again as the vaccines became more available to our members.

As we move into the new year, the club will have new leadership and I am sure some new ideas will be forthcoming. I hope you, as members, will embrace the new changes and keep TCVCC activities fun and enjoyable as ever.

Charlie and Sherry Ulrich deserve a big thank you for our wonderful COOL Car Show. We parked 96 beautiful cars and it was a beautiful day in the Gardens. What a way to end the year!!

We will have three new members, that I know of, joining us as we move into the new year. Please make them welcome when they join us at our next general meeting.

Jay and I are blessed to be a part of the TCVCC car club these past years and look forward to our continued friendship with all of you.

May you all have a wonderful HOLIDAY SEASON and a safe New Year.

Love to you all,

Jo Ann Smith, President

TCVCC 2020, 2021

This effort will preclude us from hosting our annual open event, the Celebration of Cars, in 2022. Our annual Celebration of Cars with its open format will return in the spring of 2023 and we look forward to seeing you there. Drivers who have original or restored to original vehicles at least 25 years old are invited to participate in our 2022 AACA judged event and should contact us at aacawinternational@antiqueautoclubcc.com for details. 2021 COOL Show Wrap up

The 40th COOL Car Show was held on December 4, 2021 at the Port St Lucie Botanical Gardens. We had a wonderful response with 104 registrations, beautiful weather, and a great variety of cars. The sponsors that supported the show made it all possible. We thank them very much and hope you will support them with your business. Thank you, also, to the more than 50 volunteers from TCVCC lead by eight team leaders who helped make the show the best **ever** in our opinion! Because of the response to the show, the club will be able to make a donation to the Botanical Gardens which is run entirely by volunteers and donations. We are proud that our club is able to help them. Besides that, those who attended seemed to have a nice day with their cars and friends in the gardens!
