## Upcoming Meetings

The April General Meeting will be on **Sunday**, April 24th. Please see the announcement on page 3 for details.

## Spring has Sprung!

For us Floridians, that doesn't mean much except Time change and the impending doom of humid days. As I write this on April 1, I find that it has been exceptionally dry. Usually within a week of time change, the dryness disappears and the air becomes heavy with moisture.

Speaking of time change, it seems that in November 2023, the time changing process will come to an end. Whether we stay on Daylight Savings time or Eastern Standard time is yet to be seen.

We recently returned from the Cracker Tour, which had a nice turnout of classic cars including the Newborns from the West Coast. I won't go into any detail on that trip, as it will be covered in great detail in the newsletter.

If you have ever wanted to go on a Cracker Tour, or Hot August Nights Tour, and are a bit uncomfortable as to whether your classic will leave you stranded or not, I recommend that you join us on our random Covid Rebel cruises that usually happen on Saturdays. They have the flavor of a mini cracker tour complete with directions, CB radios, food and ice cream. Speeds are always less than 50mph and miles driven is about 100, though sometimes we get a bit ambitious and go further.

It was on one of these little jaunts that I found out that the water pump on my 1964 GTO convertible had given up the ghost and was leaking. I was able to get it home with no trouble, but if I were a couple hundred miles away, I would not be so lucky. It's also time for new tires on that car as the last set are from 2004. They look great, but I would be foolhardy to chance driving any great distance or at any speed over 45. Tires have been delivered so they will be changed out along with new rear springs to drop the rear end to its stock configuration which is a tail heavy appearance. Usually most owners prefer the current raked appearance, but not me. Continued on page 2...

## Message From the President continued...

Our March meeting was the final eating destination of the Cracker Tour and was held at the Indianwood Golf and Country Club in Indiantown. Attendance was great with 46 members and guests. It was quite a nice time and the weather permitted us to eat outdoors.

Earlier in the month several of us headed up to the Indian River Chapter's show at Riverside Park in Vero Beach. I heard that there were over 300 cars registered, but I only have pictures of 278 of them. Charlie and Sherry Ulrich took 3rd place in their class with their '71 Jaguar XKE Convertible and Gary Eichhorn brought home 1st in his class with his '95 Buick Riviera, along with a gift certificate door prize. We were very fortunate that it had rained earlier in the week, so the dust was minimal

This month's meeting is going to be quite a show, and will also be covered in depth in the newsletter. It's one that you must attend because there is a good chance that Larry Ankrom will be the focus and will wear the "perp suit". That alone is worth attending.

A few of us have answered the call of travel and will be going to the AACA show in San Juan, Puerto Rico. I'm looking forward to taking a break from the day to day and of course will take as many pictures as I can to document the event.

Till next time,  
Andre'

First stop on Day 1. Rest stop by the lake, and yes, it was a little chilly!

Final stop on Day 3 before lunch. Rest stop by the lake, and was a lot warmer than Day 1!

## General Meeting Announcement

### April 24<sup>th</sup> TCVCC General Meeting...Dogs & Drones!

The Saint Lucie County Sherriff's Office will have two of their tactical units, K-9 and Drone, joining us for a demonstration of their capabilities. With dogs on the ground and drones in the air, today's sophisticated police work is constantly evolving to protect and serve. Their demonstration will take place on the grounds of All Villages Presbyterian Church in St. Lucie West, with Q & A to follow.

**TIME LINE:** Meet at the Jensen Beach Post Office, 2301 NE Savannah Rd., at 10AM. Our caravan will depart promptly at 10:30AM for AVPC, 1550 SW Heatherwood Blvd. (corner of California & Heatherwood Blvds.) Directions will be distributed before departure. We should arrive at the church between 11 and 11:15AM. Demonstration should start around 11:30AM.

**LOGISTICS:** Park in the church's asphalt lot. The adjacent grassy/gravel area is reserved for the demonstration. Bring lawn chairs to sit in (a must), and sun-screen or umbrella, because this is Florida, after all. There are restroom facilities in the church. In case of rain, the event will be moved inside the church.

**MEETING:** Afterwards, we'll journey a short distance to Duffy's Sports Grill, 1608 NW Courtyard Circle, for our meeting and lunch. They have a private meeting room for our use. We should arrive 1:15 to 1:30PM.

**IMPORTANT:** We need a headcount for Duffy's, so RSVP to Bob and Ann Ridle **by April 21<sup>st</sup>** to: [bridle1010@yahoo.com](mailto:bridle1010@yahoo.com) or call 540-255-6500 and leave a message.

### COOL Show Update

Due to the construction at the PSL Botanical Gardens, we will be unable to use the fields for our car show. The other option at the Gardens is to use the parking lot, but it is too small to accommodate the number of cars we generally have and we would have to leave the drive lane open for access to the handicapped parking.

Because of these issues, the show committee is looking at different locations and dates. We have pretty much nailed down the date to October 8th, so mark your calendar for that weekend. We will keep you informed on the location and other details as they are available.

As usual, we are looking for volunteers and if you are interested in a certain area to help out, let us know.

### 2022 TCVCC Cracker Tour—Rearview Mirror

By Sandee & Mike Searle

After a two-year hiatus, we were able to complete another Cracker Tour. Mike & Sandee were grateful that 27 members and 1 guest felt comfortable enough to come along for all or part of the trip in their 13 vintage cars. Longest distance award went to Steve Kohn for bringing his car all the way from Vermont, an '80s Mercedes' - just like the Maren Morris song!

After a crack of dawn departure on Friday, we toured the Clewiston Chamber of Commerce Museum and boarded a nice, air-conditioned bus for the Raisin' Cane farm tour presented by U.S. Sugar. Ralph, our entertaining and informative tour guide, explained about sugar farmers' Best Management Practices (BMP) of the 450,000 farmed acres (245,000 acres belonging to U.S. Sugar) in the Everglades Agricultural Area (EAA) through their stewardship of soil, water, and chemical (fertilizer & phosphorous minimization) management that exceed government standards and promote Everglades Restoration.

U.S. Sugar operates the largest private agriculture railroad in the U.S. which transports crops from the fields to the refinery, keeping many trucks off our roadways. U.S. Sugar, a vertically integrated company, grows, harvests, and produces, annually, 800,000+ tons of refined cane sugar; and 15 vegetables and fruits, including 90 million gallons of Florida OJ, and 50% of the FL corn crop. We saw firsthand the harvesting of planted cane fields, warehousing of mountains of raw sugar at the mill, and growing fields of corn.

We were treated to lunch at Sonny's Barbeque and received a tote bag filled with parting gifts of a ball cap, 2# bag of organic raw cane sugar, measuring spoon, tractor cookie cutter, Raisin' Cane Tour literature, and of course a sugar cookie.

Saturday, we had a quick tour of the Clewiston Inn where we admired J. Clinton Shepherd's 1940's canvas mural of the Florida Everglades which covers the entire four walls of the Everglades Lounge, and heard ghost tales of former resident, Anita Conklin, still calling the front desk from room 255, 28 years after her passing. Larry Ankrom regaled us at the General meeting with a related tale when he and his 1920s Model T starred with Fred MacMurray in an American Airlines commercial, filmed at the Clewiston Inn and in surrounding cornfields.

### Cracker Tour—Rearview Mirror, continued...

We drove to nearby LaBelle to Harold P. Curtis Honey Company for a talk about honeybees and the production of various kinds of honey, followed by a tasting. Several of our members made some honey and honey-related product purchases. Did you know that neither sugar nor honey has an expiration date? Off we went to the Log Cabin for lunch and Belle's Ice Cream Shop for dessert.

Our thanks to Jay & JoAnn Smith for leading 20+ members from Palm City to The Outpost Restaurant at Indianwood Golf Club in Indiantown for the General meeting and to welcome the Tour-ists home. We shared stories and awards: for hard luck to Ed Joyce for his spent alternator and Charlie Ulrich for a blown starter fuse; to assistant mechanics Don Gilbert and Larry Atkins (although many others either watched or lent a helping hand ). We welcomed 'New-bees' Scott Bean, Frank Loverso & Lynn Larsen. We want to express our heartfelt thanks to our 2022 Tour-ists for the 'Greyhound Glitter' and your personalization!

If you didn't go on this year's Cracker Tour, you missed a chance to see some unique aspects of Florida and to mingle on a personal level with your fellow members. Plan to go on the next tour. Speaking of which, we need a volunteer to plan the 2022 Hot August Nights Tour. Will it be you? Contact President André Rayman to kick around any ideas.

### Indian River Region AACA Show

By Sally Franklin

As Andre' said earlier, many of us attended the car show held at the beautiful Riverside Park in Vero Beach on March 19th. A few of us caravanned up from Stuart, while others met us there. It was a nice drive, although it was a bit early in the morning for me. The weather was perfect and the turnout for this show was huge! They had so many cars that they had to recruit several of us to help with the judging, and we were glad to help out. I met several new people and got to learn about some of the cars I was helping to judge.

As far as I can tell, we had 10 TCVCC members with their cars at the show. Here are a few pictures of some of their cars. To see more pictures from the show, click on this link: [Indian River AACA chapter show 2022 | Flickr](#)
