Port Saint Lucie, FL 34984

Dear Sandra:

AACA Members in all four divisions of the country displayed vehicles at 2023 Nationals and Tours and the National Awards Committee was hard at work selecting, in their opinion, the very best of all the vehicles shown. This committee is comprised of some of the most experienced Senior Master Judges in AACA and is entrusted with the task of selecting the recipients of the most prestigious and beautiful of all AACA awards, the National Awards.

These awards will be presented Saturday evening at the AACA Annual Awards Banquet held in conjunction with the AACA Annual Convention in Chantilly, Virginia on February 10, 2024. Your vehicle, listed below, has been selected for consideration for one of these awards. The vehicle nominated is:

1972 Ford Vehicle # 37337

The AACA National Awards committee will meet on December 2, 2023, to determine the winner of each of the many awards. In order to evaluate your vehicle, please complete the enclosed questionnaire and return it to me at the address listed above. The **two (2)** photos of your vehicle should be emailed to me in accordance with the instructions provided on the *Photo Tips* page. Enclosed is a **good** front view photo sample. Please use this as a guide for submitting your photos.

The above items must be in my possession by the end of the business day on November 1, 2023. Nominees unable to return these items by this date will unfortunately be eliminated from consideration.

It is a distinct honor to have your vehicle nominated by this Committee as a finalist for a National Award. You will be notified of the Awards Committee decision by mail in late December. **Thank you for the prompt return of this information and photos.**

With kind regards,

James W. Elliott
Vice President, National Awards
