Upcoming Meetings

The February General Meeting will be on **Sunday, February 16th**. Please see the announcement on page 5 for details.

News from the Pres desk/computer room/pantry/office/clothes closet/trophy room/antique pressed steel toy display area w/a 32" mahogany coffee table made in 9th grade & still perfectly flat.

Notes from the Pres desk WOW how time flies by. First month of 2025 is done. Seems as the aging process sets in, time goes by faster. A few cold days in

mid-January necessitated bringing out the custom-made afghan by Mom. She has been gone 9 years now but when one is wrapped in this mystical blanket her presence is felt. Mom made 10 of them. One for each of us 5 kids, 3 granddaughters & 2 daughters in law. I swear they have magical powers that lull you to sleep, because so far this year it has won all 5 times. Once 3 in one day!

Three little words to make your life easier & it does not require a whole lot. Please & Thank You. These words were instilled in only daughter from the beginning. One will hear it from me often, especially when dining out. I have heard when ordering "I want this item". Seems demanding to me. More courteous would be "I would like this item."

Great attendance at the January general meeting. Thank you all. Accomplished a hurdle as Chris Levy & Russ C agreed to Co-Chair the 2025 COOL show. As with the January general meeting, I am getting more comfortable with the leadership position. Thank you all for your support.

Tuesday, January, 8th, in the AM, I heard not "Good Morning Dear" but "The hot water tank is leaking". Reply was "Oh Great!". I should not complain as we received 3 times as many years as the warranty stated. That turned into an all-day affair with 2 trips to the Home Depot. Helper at the Depot said "Have a great afternoon" as we carted the new water tank to the front of the store. He received a huge Thank You. By the way, did you know hot water heaters are not \$219 anymore. Back home & swapped out the tanks on the down low. The old tank made it last trip in a truck to the recycle center. Local plumber quoted me a price of \$2200.00 to swap out the heaters. YIKES! This DIY pro slashed that price!

Many shows in February & March with two popular shows near the end of February. Three shows on March 15 in the area: Vero Under The Oaks, Port St. Lucie Botanical Gardens & Dell Webb in Tradition. I am so looking forward to the McKee Motor Car Exhibition (all red) in Vero on February 8th. We were there two years ago & it was fantastic. Tons of people. That will be 276 shows in 9 1/2 yrs. See Bob Ridles Award winning TCVCC website for all the cruise-ins & upcoming shows. Thanks & get those classics out & drive them. They will appreciate it.

Be Active & Get Involved. Thanks *Denny Dahle*

General Meeting Notice

TCVCC January General Meeting Sunday, February 16, 2025

Here is a great opportunity to exercise your classic car, enjoy some time on the peaceful Indian River Lagoon, and stuff your belly with tasty food. (kinda like a mini cracker tour, except the food will be better, and we will be in our cars driving for a much shorter time... haha

We will meet at the parking lot at the Dolphin Bar and Shrimp House in Jensen Beach (1401 NE Indian River Drive, Jensen Beach, FL 34957) at 9:00 am to leave promptly at 9:30 am. We will then drive down Indian River Drive (now reduced speeds) to 1 Avenue A, Ft Pierce, Florida 34950 where we will purchase our tickets individually to take a 1.5 hour boat ride with Indian River Lagoon Boat tours on the pontoon boat "Emilie" at 10:30 am.

With the cooler weather we might see manatees, and it is a nice relaxing ride with a water view of many of the places that we have seen from land. Price for tickets for Adults is \$30.00 each. Price for seniors 65 and older is \$25.00 each. You MUST buy your own tickets, however the club will rebate each club member and spouse \$5 per ticket to reduce your actual out of pocket expenses.

After our scenic river tour, we will drive our classics a little further up Indian River drive and across the bridge and a short ride down A1A and head south to the Island Beach Bar and restaurant 110 S Ocean Drive, Ft Pierce, Florida 34949. (772)409-4677. Some of you may remember this name, however this restaurant is now in a new location since May 2024. (don't go to the old place) Manager Gary Sofen has reserved a parking area especially for our classic cars that is just adjacent to the restaurant.

RSVP by February 9th to Andre Rayman at arayman@aol.com or text 561-818-6212.

More Upcoming Events

Mark your calendars for the new Spring Forward to Victory Car Show on March 9th. This show is not a replacement for the annual COOL show, but is a “light” version of that show designed to encourage folks to bring out their rides and get to know us and our club. The Spring Forward to Victory show is being organized and hosted by members of our club and the Road to Victory Military Museum. Food and entertainment will be furnished by the Museum staff while our members handle the registration, parking, judging and trophies. Day of show registration only, no classes, and judging is on a less formal level. Only 20 trophies will be awarded, and dash plaques to the first 75 cars. The idea is to have a less stress, lower cost show to let everyone enjoy themselves, visit with friends, maybe make some new friends, and maybe win a prize.

As usual, we are looking for volunteers to help with the show. We will need a few people for setup, registration, parking, judging and take down. As this show is less structured than the COOL show, we anticipate a little easier day for our volunteers so that they can enjoy the show as well.

Email: arayman@aol.com or text 561-818-6212 for more information or if you wish to help on the day of show.

January General Meeting

We started off the January meeting by gathering at Bonefish Mac's in Port St. Lucie. As you can see by the attire, it was a little chilly that morning. From there we cruised to the Treasure Coast Model Railway Club to enjoy their incredible train layouts.

There were a few classic cars in attendance.

The train layouts were so realistic and meticulously designed.

Pretty sure they were having a car show at this little village.

Seeing the food trucks made us all hungry, so we had our meeting on the front porch of the club house then headed back to Bonefish Mac's for lunch.
