**Our Next Meeting**

The November General Meeting will be on Saturday, November 21st. Please see the announcement on Page 3 for details.

Hello Fellow members-
Let me first start this off by wishing everyone a Happy Veterans Day!! If you served in our forces, it is very appreciated.

The next general meeting will be on November 21 when we will induct our 2027 board. This year the Browns will host the meeting. I remember many years ago, the Browns had hired Herbique who had whole pigs complete with apples in their mouths, and Larry Ankrom was clowning around and I got a picture of him kissing one.

I've just returned from the Cool show. Mother Nature did not cooperate as she has in so many years past. It was cloudy and the rains soon came, but we made the best of the situation. Some folks asked why we didn't reschedule and while that was a brief consideration, it also means stepping on some other shows toes, as there are 2 or 3 shows every weekend this time of year. It's always best to play nice in the sand box.

Thanks to all that volunteered and to those who brought their cars. While the weather disappointed, our members surely did not.

Next Sunday, the Southeast Florida Pontiac club will be hosting a Buick Olds Pontiac and Cadillac show at Double Roads in Jupiter on Sunday November 8. The owner of Double Roads is a classic car owner and has several British made cars. He and his wife work tirelessly to host many activities there including monthly car shows, Salsa dancing, Line dancing and musical bingo. It seems like every night is full of fun stuff. I hope to see you members that have this make of car attend.

We currently have 8 cars signed up for the Vet's Day Parade on the 11th. If you are interested, contact sfranklin_2000@yahoo.com.

Then the next week, we are off on the "Not so Hot November Nights" tour to Deland. See you soon.

Andre

See attached TCVCC Renewal form or visit our website at https://treasurecoast.aaca.com/ for the form and the link to AACA renewal.

The November 21st general meeting, hosted by Dave & Amy Brown, will be a BBQ lunch at a park in PSL. This is our annual meeting to elect our Chapter Officers and Directors for 2027. ## October 2026 General Meeting, by Sandee Searle

I heard from an exceptionally reliable source (hostess with the mostest, Barb Joyce) that our October meeting at the Sandhill Crane Park in Port St. Lucie had 24 attend the Bingo & Pizza party. The event had a lighter turnout since some members attended the concurrent Annual Lake Mirror Classic Concours d'Elegance Car show, some were on vacation, and some were hesitant due to "iffy" weather conditions. Luckily, Mother Nature held off the rain but filled the air with heavy humidity. Barb & Ed waived the lunch fee.

A few classics braved the weather

Of course there's food!

Hosts Barb & Ed Joyce made sure there was plenty of pizza, salad, and cookies available for all to enjoy. Nancy Ferrauto brought her famous pasta salad and almond cookies!

Everyone received a free BINGO card to play two games of BINGO. Marie Flaherty won the first game, and Sherry Ulrich won the second game. Each winner received a $50.00 gift card to WAWA. Such a thoughtful prize to help with the cost of gasoline!

A special thank you from the Joyce's to all the members who helped set up and clean up after the meeting. To see all the pictures from the meeting, click **HERE**.

## Goodwood Revival 2026, by Sherry Ulrich

In September, John Giltinan, Don Gilbert and Charlie and Sherry Ulrich traveled to England to attend the Goodwood Revival. What, you may ask, is the Goodwood Revival, a religious experience? Well, if you are an old race car nut like us, it comes as close to heaven as we're likely to get! The Revival is a once per year antique car race and general extravaganza that was sensory overload for us for three wonderful days. Goodwood is an 11,000 acre estate in southwest England that has been in the Duke of Richmond family since 1697. After WWII the family realized that things needed to change if the estate were to continue. So now it is a playground for the rich and famous, and includes horse racing, hunting, an aerodrome, and of course many old car related activities. And The Revival is the Granddaddy of it all, especially since the public, like us, is invited.

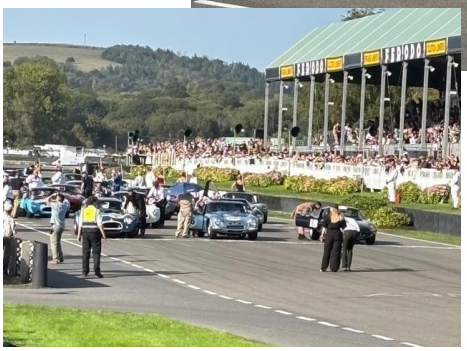

The racing is amongst specially invited cars of the 40's, 50's, and 60's vintage that have racing pedigrees that are awesome! And they race hard! Watching these multi million dollar cars literally bump doors at over 100 mph is heart thumping. An example of two of the entries is the 1958 Jaguar Tojeiro of which only 5 were built, specifically to race Le Mans. Cool enough, but did you know that Tojeiro #3 is owned by our friends and former club members, Rocky and Henry Grady? The two Jag Tojeiros were pitted against a fleet of real (not replicas) Cobras and the like. An unlikely (and consistent winner) in that class was a 1963 Ford Galaxy 500. Really!

So besides the neat cars, what else? Well since this is vintage racing why not vintage dressing? Of the literally thousands of spectators, all of us were wearing period correct clothing. So to go along with that there were fashion shows, dances and many clothing related shops. Of course everything revolved around the antique cars, including auctions, repair shops, and a huge car show (mostly Brit of course). On Friday, we were driven to lunch in a 1920's London Taxi.

This trip was certainly unique, and in three days we weren't able see all the available sights. So even if you aren't a race fan it is truly a life's experience. Just be prepared to be overwhelmed!

Very special thanks to Russ Caterinicchio (2026 COOL Show Chair and sponsor procurement), Sally Franklin (Eventbrite registration/newsletter promotion, flyer design, and SO much more), Charlie Ulrich (Judging Chair), Barb Joyce (registration finance, show finance, 50/50 sales), Ed Joyce (Parking Chair/signage), Bob Ridle (website promotion, Show announcer with that smooth voice), Jo Ann Smith (Show day registration and packet prep), Andre Rayman ($$ printing all Show flyers and registration forms $$), Denny Dahle (promotion of COOL Show at other car show venues), Curt Francisco & John DeLisa (set-up/tear-down & transport to/from storage unit), and to all the volunteer judges, parkers, and anyone I missed mentioning.

## 2026 COOL Show

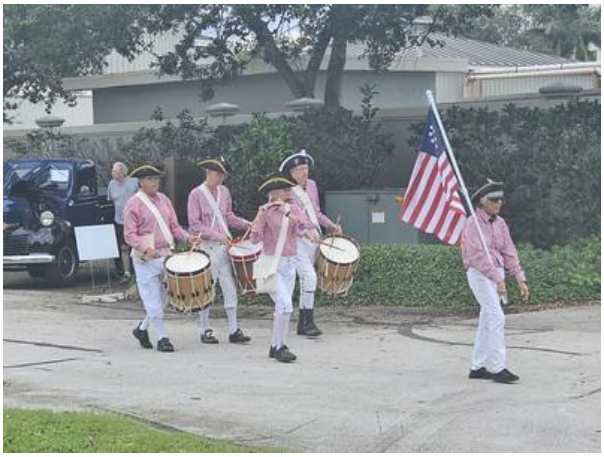

**By Sandee Searle & Andre Rayman**

Coffee & Donuts! Absolutely!

The Judges are getting ready!

Fife & Drum opening the show!

It takes a Vintage Village to promote and stage our COOL Car Show. We also make it fun, so please volunteer for our next Show. All help is welcome.

Editors Note: Of the 64 Pre-registered vehicles, 40 attended. We had 4 drive-on cars. Considering the threatening weather, I was pleasantly surprised. The decision was made to get the judging started early and try to get the awards started by noon. We made it to almost noon before the drizzle started. We awarded 23 trophies in record time and everyone was able to leave before the skies opened up completely. There were several classes that did not make and six that only had 1 entry.

Sea Cadets presenting the Colors!

Check out all the Cool Show photos at https://treasurecoast.aaca.com, or click **HERE** to see all the pictures from the COOL Show.
